RESOLUTION NO. _____

RESOLUTION DIRECTING THE MAYOR OR DESIGNEE TO CREATE A SPECIAL BUILDING PERMIT CATEGORY FOR REPLACEMENT OF 120 VOLT UNDERWATER POOL LIGHTS WITH LOW VOLTAGE UNDERWATER LIGHTING IN PRIVATE SWIMMING POOLS IN UNINCORPORATED MIAMI-DADE COUNTY AND TO IMPLEMENT ASSOCIATED PROCEDURES; AMENDING IMPLEMENTING ORDER 4-63 TO PROVIDE FOR A SPECIAL PERMIT CATEGORY AND REDUCED FEE FOR SAID PERMIT APPLICATIONS; REQUIRING EDUCATIONAL CAMPAIGN ADVERTISING THE AVAILABILITY OF SAID REDUCED FEE PERMIT AND OTHER ALTERNATIVES WHICH MAY BE UTILIZED TO ENHANCE THE SAFETY OF PRIVATE SWIMMING POOLS

WHEREAS, the Board of County Commissioners desires to maximize the health and safety of County residents and visitors, and to minimize the potential for electrocution in recreational swimming pools; and

WHEREAS, on October 7, 2014, this Board adopted Ordinance No. 14-95, which, to lessen the potential for lethal electrocution, provided for a local technical amendment to the Florida Building Code to require low voltage lighting in newly built private pools that have underwater lighting installed, and in existing private pools with underwater lighting when permitted construction work is done; and

WHEREAS, section 553.80(1), Florida Statutes, provides that each local government shall regulate building construction and further provides that the governing bodies of local governments may provide a schedule of fees for the enforcement of the regulation of building construction, and additionally requires that such fees be used solely for carrying out the local government's responsibilities in enforcing the Florida Building Code; and

WHEREAS, this Board has established fees and charges to be levied by County departments for the issuance of building permits in Implementing Order 4-63; and

WHEREAS, to comply with Implementing Order 4-63, any person obtaining a building permit is required to pay fees and charges before such permit is issued; and

WHEREAS, section D.19 a) through d) of Implementing Order 4-63 sets forth the fees related to electrical contracting for residential swimming pools; and

WHEREAS, the minimum fee for a building permit applicable to swimming pool electrical construction is \$130 pursuant to Implementing Order 4-63 and the fee schedule therein; and

WHEREAS, this Board desires to encourage residential property owners with existing swimming pools to (a) obtain a building permit to replace 120 volt lighting in their pools with low voltage lighting as soon as possible, or alternatively, (b) disconnect power to each 120 volt pool light at the electrical panel, or (c) obtain a building permit to completely remove 120 volt lighting in their pools; and

WHEREAS, this Board also desires to minimize the financial burden associated with obtaining the required permit; and

WHEREAS, a permit category with a reduced fee specifically for replacing existing 120 volt underwater pool lights will provide oversight by Miami-Dade County electrical inspectors while also providing an incentive for property owners with private pools to obtain a permit to completely remove 120 volt lighting in their pools or replace 120 volt lighting in their pools with low voltage lighting; and

WHEREAS, this Board desires to amend Implementing Order 4-63 to include a \$65 fee for a newly created special permit category for "Underwater Residential Pool Light Replacement

(120 volt to low voltage)” for existing private swimming pools located within unincorporated Miami-Dade County; and

WHEREAS, this Board desires to increase public awareness regarding the potential for electric shock in private pools caused by improperly installed, maintained or serviced underwater pool lights, and desires to provide information regarding alternatives to underwater pool light replacement,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Incorporates and adopts the foregoing recitals as if fully set forth herein.

Section 2. Directs the Mayor or designee to create a special permit category for “Underwater Residential Pool Light Replacement (120 volt to low voltage)” for existing private swimming pools, as defined in the Florida Statutes and Florida Building Code, located within unincorporated Miami-Dade County, to implement the necessary procedures and to give effect to the intent of this resolution within 45 days from its effective date.

Section 3. Amends Implementing Order 4-63 to include a new special permit category and \$65 fee for “Underwater Residential Pool Light Replacement (120 volt to low voltage)” for existing private swimming pools located within unincorporated Miami-Dade County. The special permit category services include the resources expended for intake of the permit application, processing of the application, verification of the status of the license and insurance for the contractor, an onsite inspection to verify permitted work is in compliance with the Florida Building Code and the National Electric Code, and record keeping.

Section 4. Adopts and approves the amendments to Implementing Order 4-63 in substantially the form attached hereto.

Section 5. Directs the Mayor or Mayor's designee to create and implement an appropriate outreach campaign to increase the public awareness of the potential for electric shock associated with improperly installed, maintained or serviced underwater pool lights.

Section 6. Directs the Mayor or Mayor's designee to publish the availability of the permitting process allowed herein and other alternatives available to the public to enhance the safety of private swimming pools, and disseminate such information on the County's website as well as the County media channel, and provide such information to this Board within 45 days of the effective date of this resolution for further dissemination. The Mayor or Mayor's designee shall place the completed information packet on an agenda of this Board pursuant to Ordinance No. 14-65. The Board requests that the Mayor or Designee use the resources of Miami-Dade County Community Information & Outreach (CIAO) in carrying out these directives.

The Co-Prime Sponsors of the foregoing resolution are Commissioner Lynda Bell and Commissioner Audrey M. Edmonson and the Co-Sponsor is Chairwoman Rebeca Sosa. It was offered by Commissioner _____, who moved its adoption. The motion was seconded by Commissioner _____ and upon being put to a vote, the vote was as follows:

Rebeca Sosa, Chairwoman
